- However, a student withdrawing from the programme temporarily must rejoin the programme and complete all requirements within 3+1 year of his/her admission into the programme.
- D. If a student misses scheduled mid/end semester examination during the period of major ailment, make up examination will be arranged without any implication on the final grade, subject to clause (C) above. There will be no re-examination for these make up examinations.
- E. If a student misses component(s) of evaluation, other than mid/end semester examination, in a course during the period of major ailment it will be up to the respective Course Coordinator/ instructor to decide how those components can be compensated for, if at all.
- F. For any other case(s) not included above, the same would be decided upon by the IPM Committee.

 If, $7 \leq \text{CGPA} < 8$, Percent score = $76 + (\text{CGPA} - 7) \times 9$
